About the College

Named one of Kaplan's "25 cutting-edge schools with an eye toward the future," the Savannah College of Art and Design offers an innovative curriculum designed to provide an excellent arts education and effective career preparation for students. With three locations as well as online programs, the college attracts students from all 50 states and from more than 90 countries.

SCAD exists to prepare talented students for professional careers, emphasizing learning through individual attention in a positively oriented university environment. The goal of the college is to nurture and cultivate the unique qualities of each student through an interesting curriculum, in an inspiring environment, under the leadership of involved professors. SCAD features locations in Atlanta and Savannah, Ga., and in Lacoste, France, and also offers undergraduate and graduate degree programs online through SCAD-eLearning.

SCAD is a private, nonprofit institution accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, GA 30033-4097; telephone number 404.679.4501) to award bachelor's and master's degrees. The college offers Bachelor of Arts, Bachelor of Fine Arts, Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Fine Arts, and Master of Urban Design degrees, as well as undergraduate and graduate certificates. The five-year professional M.Arch. degree is accredited by the National Architectural Accrediting Board.

Class size is small, allowing each student the opportunity to receive individual attention. Faculty members have distinguished backgrounds in their fields. An English as a Second Language program and dedicated international student services staff are available to assist international students with the adjustment to college life in the United States.

For more information about the college, visit www.scad.edu, e-mail admission@scad.edu, call 800.869.7223 or 912.525.5100 in Savannah, or call 877.722.3285 or 404.253.2700 in Atlanta.

SCAD®

SCAD Transportation and Parking

All students, staff and faculty who park or use a vehicle on SCAD property must register their vehicles and properly display a current decal or temporary permit. Student parking decals are free and are validated for the academic year. All students, faculty and staff must obtain a new permit at the beginning of each fall quarter. Students who live on campus are allowed only one vehicle on college grounds at a time. Students who live off campus as well as faculty and staff may purchase a second decal for a \$35 fee. To obtain a permit, students, faculty and staff must register their vehicle through their MySCAD account. Step by step instructions for this process can be found online at www.scad.edu/park. Faculty and staff permits are free and are valid for the entire year. Any changes in vehicle information must be reported to transportation and parking services. Changes are made free of charge.

The parking permit must be properly placed on the bottom corner outside of the driver's front windshield. Motorcycles should display the permit on either front fork or on the left side of the fairing. Motor scooters must register through college security. Once registered, a vehicle is permitted to park in most SCAD lots, and the owner or driver acknowledges his or her responsibility to abide by all rules and regulations. The holder of the permit is responsible for any citations the vehicle receives, regardless of who was operating the vehicle at the time.

Towing is enforced in college parking lots as indicated by posted signs. Any vehicle parked in a towing-enforced lot without a current decal, temporary permit or in violation of handicapped or fire lane designation is subject to ticketing and towing without warning. All associated towing fees must be paid in full before the vehicle is released.

PARKING VIOLATIONS

In addition to the following penalties, the Savannah College of Art and Design reserves the right to tow vehicles for violation of parking regulations and/or for unpaid parking citations, without warning. Students and employees who have outstanding parking fines will not be issued a new parking decal. Further, a hold may be placed on student accounts and/or records. Employees may have the

balanced subtracted from their paycheck. Transportation and parking services may issue tickets and fines to all violators of SCAD parking regulations without warning. Violations include, but are not limited to:

- Parking without a decal, temporary permit and/or an expired decal/permit (vehicle subject to fines and towing).
- Improperly placed parking decal or temporary permit (vehicle subject to fines and towing).
- Parking with an altered or copied permit or illegal use of, reproducing, altering, defacing or falsifying registration information (vehicle subject to fines, towing and loss of parking privileges).
- Parking in handicapped spaces without proper identification (vehicle subject to fines and towing).
- Parking out of zone, against flow of traffic, at a yellow curb, on yellow lines, double parking, parking where prohibited by signs, across sidewalk or crosswalk, and/or parking in "No Parking Zone" (vehicle subject to fines and towing).
- Blocking traffic, dumpster or roadway, parking in fire lane or blocking fire hydrant (vehicle subject to fines and towing).
- Parking or driving in non-designated grass areas or service areas.

All fines are subject to change. Violation of SCAD parking regulations may result in the vehicle being removed at owner's risk and expense and the loss of parking privileges.

PARKING REGULATIONS

1. Faculty, staff and students will be held responsible for all parking violations involving their vehicles.
2. Any vehicle not displaying a current SCAD parking decal or temporary permit will be fined and towed at the owner's expense.
3. Willfully falsifying information on the permit application shall constitute a violation and will result in the suspension of parking privileges, fines and removal at the owner's expense. Students will be subject to the student judicial process.

4. Vehicles shall not be parked in non-designated areas. Those found in such areas will be fined and removed at the owner's expense.
5. All vehicles parked in a SCAD lot must display valid license plates or temporary dealer tag. The college does not provide parking/storage for apparently abandoned or derelict vehicles. Any vehicle in an apparently abandoned condition will be fined and removed from college property at the owner's expense.
6. Student vehicles may not be left on college grounds during breaks.
7. All persons who wish to park more than one vehicle on campus must obtain separate permits for each vehicle.
8. Parking is permitted in designated (lined or bumpered) spots only. Vehicles parked in fire lanes, in bus zones, in front of dumpsters or in designated "no parking" areas will be removed at owner's expense.
9. Any vehicle parked in a handicapped-designated spot without proper permits displayed in view will be fined and removed at the owner's expense.
10. Any vehicle parked in a manner that prohibits normal traffic flow and normal traffic operation will be fined and removed at the owner's expense.
11. Any person operating a vehicle in an unsafe manner on any college lot is subject to disciplinary action and/or loss of parking privileges.
12. Forgery, alteration, unauthorized removal and unauthorized use of parking permits will result in loss of parking privileges, fines and removal at the owner's expense.
13. Faculty, staff and students are expected to know and comply with state motor vehicle laws and city traffic ordinances.
14. Pedestrians have the right of way at all crosswalks.
15. Driving motor vehicles on campus walkways, lawns, shuttle routes or in areas not specifically designated as roadways is prohibited and subject to a fine and replacement and/or repair costs.
16. Operators of motor vehicles shall comply with traffic signs (yield, stop, etc.) or the direction of au-

thorized personnel.

17. The college reserves the right to enter a vehicle at any time to determine compliance with safety and health regulations and provisions of public law, college regulations and housing policies. A vehicle also may be entered if there is an indication of concern for life, health or property.
18. First-year students living on campus and displaying an "R" type decal are permitted to park in residence hall parking lots and parking lots at Anderson, Boundary, Hamilton, Montgomery and Wallin halls. First-year students living in Turner House must park at the Weston/Dyson lot.

Please refer to the SCAD Web site for more detailed rules and regulations and restrictions.

Parking in Atlanta

Complimentary parking is available in the SCAD-Atlanta parking deck to students, staff and faculty. Visitor parking is available at the north and south areas adjacent to the SCAD-Atlanta building. Those who park or use a vehicle on SCAD property must adhere to safe driving practices. For security reasons, SCAD encourages students, staff, faculty and visitors not to leave items of value visible in their cars. All students, staff and faculty who park or use a vehicle on SCAD property must register their vehicles. Student parking decals are free and are validated for the academic year (fall through spring). Register vehicles online through MySCAD, print out the temporary permit and present it at the SCAD-Atlanta Student Resource Center, 1600 Peachtree St., Room 121, 8:30 a.m.–5:30 p.m. to receive a parking decal. All visitors must obtain a visitor's pass. To obtain a permit or visitor's pass, students, faculty and staff must present a valid SCAD ID. Visitors must present state identification. Students may obtain a visitor's pass from their residence director; faculty and staff may obtain a visitor's pass from the Student Resource Center. For more information about parking and transportation services, call 404.253.3426.
