returning students
housing sign-up

Returning students participate in fall housing sign-up online during spring quarter and must pay the $500 nonrefundable reservation fee on or before the deadline. Students who cancel after June 1 are subject to an additional $250 nonrefundable cancellation fee. Students who wish to be roommates should sign up together and list their mutual roommate requests on their housing applications.

Students must make the quarterly payment by Aug. 1 or forfeit their room assignment and be placed in housing after the payment is made, provided space is available. Students who do not participate in fall housing sign-up are assigned housing according to the procedures for new students. Housing is subject to availability.
